What is a 120 watt solar Streetlight?

Our 120-watt solar streetlight is a great solution for ranches, patios, parking lots, horse corrals and any other location that needs lighting. The 100% solar operation allows the light to be installed virtually anywhere with minimal effort. Our 120-watt light is made to withstand the weather and can handle extreme heat, cold, rain and snow.

What is a 12V 120W solar panel?

Ideally suited for a motorhome or large caravan. This 12v 120w solar panel is powerful enough to keep your battery charged over long periods away without starting the generator or plugging in to an external source. Comes with MC4 connectors so they are easily added to a string and protected from the wet weather.

What is an 18W solar home lighting system?

An 18W Solar Home Lighting System is the smallest capacity solar lighting system for a home to use sunlight for running the CFLs. The system comes with a wide range of specifications at affordable prices. It is a compact and easy-to-install system that can provide a battery backup of up to 6 hours.
