The AIMS POWER 7000-Watt Industrial Grade ...

From recreation to industrial applications or off-grid home and solar power needs, this 7000 watt modified sine wave inverter delivers enough durable power for high end equipment that ...

This digitally outputted and phase corrected inverter is the recommended power solution for clean reliable output without noise or distortion. Delivering an incredible 7000 watts ...

From recreation to industrial applications or off-grid home ...

With the 48 volts DC input, you can run smaller cable and multiple batteries for this heavy duty inverter. The 220 volts AC can provide a small house with power over seas when the utility ...

The AIMS POWER 7000-Watt Industrial Grade power inverter accepts a 48-Volt input and produces 240-Volt AC of modified sine wave AC power. With the AIMS industrial grade line, ...

From recreation to industrial applications and backup/emergency power needs, this 7,000 watt modified sine wave inverter delivers enough durable power for high end equipment that ...

The inverter can easily be changed from a North American output (60 Hz) to a European/African output (50 Hz) with the flip of a simple switch. With ...
