Who is OEM switchgear?

In addition we are distributors and original equipment manufacturers utilizing switchgear components from many of the world's most popular brands. Our OEM switchgear is designed and manufactured to provide years of safe, trouble free service and meet or exceed all applicable ANSI, IEEE and NEMA standards.

What is a custom manufactured switchgear?

Our custom manufactured switchgear solutions are designed to meet companies' specific power distribution equipment needs, and we are known as the preferred choice among custom switchgear manufacturers. We offer a wide range of stainless-steel, metal-enclosed, and metal-clad switchgear, as well as switchboards ranging from 208V to 38kV.

Why do you need a switchgear manufacturer?

When it comes to protecting and powering your electrical distribution systems, having the right equipment is crucial. As a leading provider of switchgear manufacturing services, we offer best-in-class components and expert solutions designed to help you optimize your supply chain and minimize downtime.
