How much money does the Brazilian Government procure in 2022?

In 2022, the Brazilian government procured over US\$500 billion in goods and services through tenders. Bidding for tenders in Brazil is extremely lucrative for companies of all sizes. Brazil tendering authorities release contracts for most of the products and services procured by them benefitting small, medium and large enterprises.

Does Brazil have a public procurement sector?

As Brazil is focusing more on digital transformation, the IT sector has gained more emphasis in public procurement. Federal IT Tenders in Brazil may include cloud computing, cybersecurity, and e-governance platforms, aiming to make public services smarter and more secure.

Who can bid on Brazil tenders?

All companies and individuals who are capable of fulfilling the requirements can potentially bid on Brazil tenders. There might be additional restrictions based on domicile, experience and qualifications depending on the project's nature and complexity. What are the top products and services procured by Brazil tenders?

What are federal IT tenders in Brazil?

Federal IT Tenders in Brazil may include cloud computing, cybersecurity, and e-governance platforms, aiming to make public services smarter and more secure. Hence, if you're a tech vendor looking to apply for these tendering opportunities, you must adhere to the LGPD (General Data Protection Law).
