Our pioneering and environmentally friendly solar systems: Folded solar panels in a container frame with corresponding standard dimensions, easy to unfold thanks to a sophisticated rail ...

With our pre-configured solar container unit, you can get going quickly, and the folding solar panels for containers can be deployed in less than three hours. Go big with our modular ...

PAC off grid battery storage 40kwh all in one lithium batteries for solar system, outdoor use, with 8kw split phase hybrid inverter, for home storage.

The industrial and commercial energy storage system mainly consists of batteries, BMS, PCS (bidirectional converter system), electrical circuits and protection, and EMS system.

It is an ideal solution for commercial and industrial businesses with high ...

It adopts a modular design, compatible with multi-source input and output of mains, photovoltaic, and energy storage, and can be flexibly configured according to scene requirements to provide ...

It is an ideal solution for commercial and industrial businesses with high energy demands, from large retailers and asset intensive manufacturing plants to critical data centers, electric vehicle ...

Our pioneering and environmentally friendly solar systems: Folded solar panels in a container frame with corresponding standard dimensions, ...
