With an area of more than 44,000 square miles (114,447 sq. km.), Cuba is the largest island in the West Indies, accounting for more than one-half of the total Caribbean land mass. ...

Cuba, country of the West Indies, the largest island of the archipelago, and one of the more-influential states of the Caribbean region. A multicultural, largely urban nation, it has ...

The recorded history of Cuba began on October 28, 1492, when Christopher Columbus sighted the island during his first voyage of discovery and claimed it for Spain.

The secretary of state's latest remarks came after he told reporters that he'd be "concerned" if he were a government official in Havana.

For months as the US military prepared to strike Venezuela, many Cubans have asked a simple, if disconcerting, question: "Are we next?"
