How digital Dubai provides a new service for suppliers?

Digital Dubai is providing a new service for suppliers through publishing the Tenders on the Website. The service will allow the suppliers to submit their quotes and responses safely and securely. To view the published tenders, please check the published tenders in the table below.

What is the UAE Central Tenders portal?

The UAE Central Tenders Portal: This portal provides information on tenders and auctions for all UAE government entities. GlobalTenders aggregates tenders from UAE's official, authorities and agencies websites, newspapers, journals and magazines.

How do I register for tender services in Dubai?

Registration is free of charge. For the best experience, use Internet Explorer version 8 or higher when accessing tender services. Registered suppliers can use their existing login credentials from any Dubai Government department to log in and submit bids or tenders, aligning with the One Government principle.

What is the capacity of solar power plant in Dubai?

The Plant will have an aggregate capacity of 1,600 MWac up to 2000 MWac in Solar Photovoltaic and 1,000 MW in battery storage. The tender process will be able to select a suitable developer/developers or developer consortium/consortia to share ownership of project company/companies to be incorporated in accordance with Dubai and UAE laws.

Suppliers can find out the results of their bids or tender submissions on procurement platforms by logging in. The platform allows suppliers to track tender results, get notifications, communicate.
