Who is breaker broker?

Unlike big-box suppliers that only carry current SKUs, we go beyond. Breaker Broker stocks surplus and obsolete circuit breakers that are no longer manufactured but still widely used in buildings, factories, and commercial facilities. This allows us to provide critical components you won't find anywhere else. We don't just stop at circuit breakers.

Where can I find reliable circuit breakers & electrical equipment?

Your Trusted Source for Circuit Breakers and Electrical Equipment At Breaker Broker, Inc., we know how important reliable electrical components are to keeping your operations running smoothly.

Why should I buy a new or refurbished circuit breaker?

RESA Power offers a wide selection of new, used, and refurbished circuit breakers to suit your system's needs for optimum performance and safety. New breakers provide the latest technology and high reliability, meeting current industry standards with OEM warranties.

What types of circuit breakers are available?

Our comprehensive inventory includes circuit breakers from major manufacturers, ranging from new to hard-to-find and used options. We provide a one-stop solution with our selection of miniature, molded case, and insulated case circuit breakers, as well as air breakers, vacuum breakers, load break switches, and related parts.

This section provides an overview for circuit breakers as well as their applications and principles. Also, please take a look at the list of 76 circuit breaker manufacturers and their company ...
