Does container management sell as-is condition containers?

Container Management, Inc. does not sell As-Is condition containers. Choosing the right size is critical as it impacts both cost and usability. The 20-foot, 40-foot, and 40-foot High Cube containers are the most common sizes for shipping containers that are to be used for export shipment or for storage.

How much does a waterproof storage container cost?

The cost of renting a 20 foot waterproof storage container is between \$75 and \$125, and a 40 foot waterproof storage container rents for between \$90 and \$150. If you are looking to buy a waterproof storage container, you can expect to spend between \$1,800 and \$4,000, with the difference being the size and quality of the container.

Can a CW container be certified for export shipping?

CW containers can be certified for export shipping, meaning they can withstand the rigors of sea travel, and all of the major steamship lines will accept them for transit on their ships. WWT containers cannot be certified for export shipping, but are ideal for storage as they are sealed against wind and water.

How much does a container cost at Pelican containers?

If you want to save some money, you may find good-condition containers for under \$1,000 at Pelican Containers. It's best to understand the container grading system before buying: Cargo-worthy (CW). Available for \$500 to \$4,000, these containers are waterproof and typically 5 to 15 years old.
