Xantrex PROsine Inverters deliver true sine wave output. Ideal for handling sensitive loads, and for electrical systems that already have a quality multistage battery charger.

Offering superior quality true sine wave output, the Xantrex PROsine 1800 Watt 24V GFCI Inverter from Nomadic Supply Company®; is ideally suited for electrical systems that already ...

Sep 29, 2020; Offering superior quality true sine ...

The pure sine wave inverter has 1800w continuous power and 3600w peak power, so that it can provide a smooth and stable AC current to extend and protect the battery's life.

The most obvious change in this new inverter is its style, tough aluminum extrusion with great looking plastic end caps. Euro and British sockets are on all this range, enabling the unit to be ...

Offering superior quality sine wave output, the Prosine 1800i stand-alone inverters are ideally suited for electrical systems that already have a quality multistage battery charger.

The 300 Watt pure sine wave inverter converts the 12 Volt, 24 Volt or 48 Volt DC Volt into AC power for AC devices such as TV, lights, power tools, cooker, kettle, blender ect.

The Prosine 1800 stand-alone inverter is ideally suited for electrical systems that already have a quality multistage battery charger. Designed for recreational and industrial ...
