Where is the largest C&I battery installation in Latin America?

Local developers like Quartux and ON Energy have installed dozens of MWh of behind-the-meter batteries at hotels, resorts, and factories in tourist regions like Cancun. A 25 MWh C&I battery by Quartux in Cancun is cited as the largest C&I installation in Latin America.

What is the demand case for Bess in Latin America?

The demand case for BESS in Latin America is clear. Investors, integrators and equipment providers are all ready to pounce at the opportunities in the region. The biggest bottleneck holding back the BESS industry in Latin America is the lack of clear and well designed (from an incentive perspective) regulations. Specifically:

What are the bottlenecks holding back the Bess industry in Latin America?

The biggest bottleneck holding back the BESS industry in Latin America is the lack of clear and well designed (from an incentive perspective) regulations. Specifically: Ambiguity in Market Participation: Many countries still lack clear rules for storage participation in wholesale and ancillary markets.

The Latin America Energy Storage Outlook 2025 explores the Latin American energy storage market across the utility-scale, C&I, and residential segments.

One of the clearest takeaways from the webinar is that each of the top 8 BESS markets in Latin America are all marching to the beat of their own realities and warrant ...

Gotion scales up its BESS technology: modular solutions from 5 to 20 MWh now available for LATAM With targets of 300 GWh of capacity in 2025 and a focus on Brazil, ...

In light of the increasing penetration of renewable energy sources, NHOA is excited to announce the award of a tender to offer a turn-key 36MWh Energy Storage System ...
