Spray your backyard for long-lasting protection against the ultimate unwanted guests--mosquitoes. OFF! Backyard products lets you enjoy the great outdoors.

Did you know there are proper techniques for applying insect repellent to be most effective? Follow these tips to keep the mosquitoes off and your groove on.

Of and off are two commonly confused words, and mixing them can change the meaning of a sentence.

"Off" as the preposition is used before nouns to describe a relation between the noun to another element of the sentence. This is the list of the contexts in which "off" is used:

Off was developed using the RPG Maker 2003 engine by Mortis and a few of his friends while he was living in a flat. [? 4] Georis went with RPG Maker 2003 as it was the only program in which ...

Of means by, occurring in, or from. Off is the opposite of on. A good way to remember the difference is, "Turn the Freezer and Fridge OFF." Here are more tricks for ...

Definition of off preposition in Oxford Advanced Learner's Dictionary. Meaning, pronunciation, picture, example sentences, grammar, usage notes, synonyms and more.

Here is an overview. Remember, there could be some variability within your local area. For example, if you're near standing water, you are more likely to experience mosquito activity ...
