What is a 10 ft container?

This container type is designed to cater for the storage of different goods in the same container by having doors at both ends. A 10ft container is perfect the size because it's a versatile, sturdy, and cost-effective solution for a small office set up. Perfect for onsite security access or small home offices.

Where can I buy a shipping container?

Whether you want shipping containers for sale, hire or to modify, Port have a huge range of new, used and customised shipping containers available. Durable, portable, eco-friendly, reusable.

What is a new shipping container?

A "new" shipping container is one that has made the journey from China to the UK only once. New shipping containers are in high demand for either shipping or storage purposes. The fact that they have only been used once means that they are still in very good condition and can be used for a variety of purposes.
