IP67 rated 12V and 24V DC LED Power Supplies to convert your high voltage AC power to low voltage DC power for outdoor LED lighting projects.

Reliable and weatherproof, this 100W 24V DC Outdoor LED Power Supply is designed for high-performance LED applications. Featuring a constant voltage output and universal AC input ...

24V 100W Waterproof LED Driver (Single-Channel Output), ultra-thin and compact design, specifically engineered for space-constrained outdoor or humid environments.

Illuminate your world with the 24V 200W LED Power Supply, a robust and efficient solution for all your lighting needs. Engineered with an IP67 waterproof aluminum casing, this power supply ...

Power your LED lighting projects efficiently with the Lumens Depot 100W 24V DC LED Power Supply. Designed to provide a stable constant voltage output, this cost-effective and reliable ...

?Waterproof grade?: IP67 waterproof grade, 100% full load aging test, high-grade silicone waterproof material, stable aluminum alloy case, easy to use heat dissipation, ...

Featuring a constant voltage design and universal AC input with a full range, this power supply offers high efficiency and reliability in a compact form. With an IP67 rating, it is dust-tight and ...

Illuminate your world with the 24V 200W LED Power Supply, a robust and efficient solution for all your lighting needs. ...
