When creating a PDB in an Oracle 19.16 database, I get a warning in the logs: TEST_DB(4):WARNING: Pluggable Database TEST_DB with pdb id - 4 is TEST_DB(4): ...

But there's an easy solution: a portable battery or power bank. They are available in various sizes and capacities, and can include handy features such as fast charging and ...

0 How can we connect to a pluggable database via connection string in my application? Pluggable database is created via docker. How do I specify that I want to connect ...

Going off the grid or need power in a pinch during a power outage? I tested the best power stations to keep your devices running this fall.

The best portable power station keeps you up and running whether you need a power supply unit for camping, traveling, home back-up, or life on the road.

This unit offers lots of power in a portable, durable, easy-to-use package. Plus, it has a wide array of outlets and charging ports to keep your essential devices running off-grid.

A good portable power station will keep you off the plug for days or even weeks at a time. We've tested the latest, including Anker, Goal Zero, and more.
